DECLARATION OF LORD, CREATOR, KALI AGE INCARNATION
BHAGAWAN SRI SATHYA SAI BABA

Prasanthi Nilayam

Dist. Anantapur – 515134 (AP)

As per promise given by Me read in GEETHA Shastra, I have come on the planet Earth to avert the calamity that has befallen the humanity. I have come with fullness of powers of formless God to stop nuclear holocaust (World War). There will be no Indo-Pak War. I have come to unite all humanity, whole world as one family. I will succeed in my mission. None can come in my way. I am Lord of Lords. All Gods, Goddesses worshipped by humanity are present in this One Form of Sathya Sai Kali age incarnation. Come, see, experience and then believe. I am creator of the whole universe. My main task is to protect the good, Godly virtuous, aspirants and devotees. I have come to change the minds of bad, wicked and those who have stayed away from the right path.

Since creation of the universe, never before such avatar (Incarnation) had come on the Earth and never such Incarnation will come on the Earth moving among general public consoling, helping humanity personally. Don't waste time in trying to understand Me. Don't doubt my Divinity. I am indweller of your hearts. I am Omniscient, Omnipresent, Omnipotent Lord. I have stopped world war, atomic war. India, Pakistan and all nations will live together as friends. I will be on Earth for 95 years i.e. till 2020 A.D. I will again incarnate as Prem Sai in Mandhya District of Karnataka. Ravana's brother Vibhishana will be mother of Prem Sai who has taken birth as would be mother of Prem Sai.

Follow my commands, orders, teachings to bring peace on the earth. I was Lord Rama, Lord Krishna. I am incarnation of Shiva – Shakti. I had send Jesus Christ on the Earth. Those who help, co-operate with Me in establishment of righteousness, peace on earth will be blessed with abundant material wealth and their worldly problems will be also solved. Those who ridicule, make false allegations against Avatars will suffer terribly for false propaganda. There is no power on the Earth to delay and interrupt in My mission for an instant also. I had saved Prahalada, incarnation as Narsinh Avatar.

**THERE IS ONLY ONE CASTE, CASTE OF HUMANITY.
THERE IS ONLY ONE LANGUAGE, LANGUAGE OF THE HEART.
THERE IS ONLY ONE RELIGION, RELIGION OF LOVE.**

THERE IS ONLY ONE GOD, HE IS OMNI PESENT.

My advent as Avatar has been described in **PADAM PURAN**, thousands of years ago.
